Rural on 3.09 Acres

Amity Bay, Rural Parkland County, AB

Truly amazing, incredibly private and a one of a kind 3 acre lake front on Jackfish Lake. On the west side of the lake at Amity bay. The property has no neighbours, surrounded by natural land that cannot be developed,. A generational type property that rarely becomes to market. There is an awesome two bedroom cottage that could be used year round and would make a great guest house. The electrical service is on the property to the cottage. Wood burning stove for heat. Natural gas to the property line. The 3 acres are partially sloping, partially rolling, partially flat, all lakefront, giving so many fantastic options for building site and recreational options. Hillside, walkout, all lakeview! Could also be a great place for a group/family RV site. Gated property, located less than 20 mins from Stony Plain on pavement all the way!

Built in 2011
